Safety of members, guests & professional staff at Chaîne activities is a top priority, particularly during the COVID-19 pandemic . By voluntarily choosing to participate in this Chaîne activity, members and guests explicitly assume any and all risks of attendance and hold harmless the Chaîne from all claims. Questions about measures taken to have a safe event should be directed to Bill Vareschi.

La Chaîne des Rôtisseurs strongly encourages members to arrange for transportation or a designated driver for their safety at all Chaîne functions
